BEER

Sapporo Premium is a Japanese rice lager style beer that has an amazingly crisp taste, refreshing flavor, and refined bitterness to leave a clean finish.

Kirin Ichiban is a traditional Japanese lager that is mild and well balanced. This beer has a smooth, full-bodied and refreshing taste.

Asahi is a Japanese beer that was developed to be a very easy drinking beer. This particular beer is very light and refreshing with a clear, crisp taste.

OB is a very popular lager beer from Korea. This beer is on the lighter side with a hoppy character. OB finishes with a clean dry taste.

Hite is a very clean and refreshing Korean beer. Its unique fermentation and cold filtering process is what gives Hite its fresh aromatic character.

Tsingtao Beer has a pleasant aroma and a well-balanced taste. Its high-malty flavor and well-hopped character make Tsingtao a refreshing complement to many Asian foods.

Hitachino Nest Beer is a Japanese craft beer famous for its high quality top-fermented ales. This beer is unique from others, because they use a brewing method similar to sake making to craft their robust, flavorful ales. We currently offer 7 of their brews: White Ale, Real Ginger Brew, Weizen, Japanese Classic Ale, Red Rice Ale, Sweet Lacto Stout, and Espresso Stout.

SAKE

Ozeki Dry is a great dry sake brewed to be light and fragrant. This sake finishes with a subtle sweetness

Gekkeikan is a semi-dry sake with a fresh, smooth flavor

Nigori is rich and sweet. This is an unfiltered sake that looks milky in color and is mildly sweet tasting with refreshing flavor.

Karatamba is light and smooth with a sharp dry taste and refined clearness.

Yamadanishiki has a natural, full-bodied flavor made from Yamadanishiki, the best sake-making rice in Japan.

SOJU

Chamisul soju has a pure and clean taste due its rich mineral contents. This soju is made with natural sweetener from Finland for a cleaner, refreshing taste.

Chum Churum is very smooth and refreshing. Very popular in Korea for its light drinkable taste.
